
**Electronic progress note example 4: patient whose last quit attempt
WAS successful**

We spoke to [patient's name] by phone on [date]. [Mr/Ms. patient's name]SUCCESSFULLY QUIT SMOKING tobacco approximately [#] [days/weeks/months] ago and remains totally abstinent.

Please consider following up with patient at next appointment to:

- * Re-assess smoking status.
- * Congratulate on success.
- * Provide strong encouragement to remain abstinent.

For further information on how you can work with your patient to prevent relapse, see the Quick Reference Guide for Clinicians at <http://www.surgeongeneral.gov/tobacco/tobaqrg.htm>

Please sign to acknowledge receipt.
